This Week's News

This week, the Old Moat choir made us super-proud at the Manchester Sings concert organised by Withington Girls School at Manchester Cathedral. See over the page for photos of our angelic singers forming a rainbow of children. The theme was our beautiful world and the damage we are doing to the environment. The songs were about the beauty of the seasons we see on our planet and there was a creative writing competition inviting children to submit work about the damage we are doing to our **fragile** world. One of our Y6 pupils was successful in this competition and read out her amazing poem to a cathedral packed full of people. Lots of parents joined us for this very special occasion – an experience to remember!

WORD OF THE WEEK – FRAGILE

If something is **fragile**, it is easily to break it. They packed the **fragile** glasses at the top of the box. Earth is **fragile** and we must look after it better.

Dates for Your Diary
