This Week's News

Next week will be the final week of this half-term and what a final week we have planned!

On Tuesday 15th February, Mrs Teer will have worked at Old Moat Primary School for 40 years. This means that Mrs Teer has been working at our school for more years than many of our staff have been alive! Mrs Teer has helped and supported thousands of children and their families during her time at our school and we are all incredibly grateful for her many years of hard work and dedication. Thank you, Mrs Teer!

On Friday 18th February, the final day of this half-term, we will be holding our first, "Dress as a Word Day". We have been using a new approach to teaching vocabulary called, "Word Aware" and we wanted to mark this by having a fun day all about words. Children are encouraged to come to school dressed as a word of their choice and may choose to hold a card which shows everyone what their word is. Be creative with costumes but we encourage you to make something with your child and keep the cost low. This is about fun, creativity, and loving language, not about spending lots of money! There will be a selection of small prizes for the best costumes across the school so get creative!

School reopens for the start of the new half-term on Monday 28th February at 8.40am.

Dates for Your Diary

Next Week Lunch Menu is Week 2

Stay'n'Play

Wednesdays 9.15-10.45

half-term**

LEARN ENGLISH

Free English lessons are back every Thursday from 10th February 9-10am. For more information please email Julie Walsh, family worker.

STAY & PLAY

jwalsh@oldmoat.manchester.sch.uk

Stay and play is every Wednesday Morning 9.15-10-45am at Old Moat School. Come to the main entrance and enjoy playing in our lovely Nursery.

Book of The Week

From Mrs Teer

Heidi was written by Johanna Spyri a long time ago.

It's set in the Swiss Alps so huddle up indoors with a nice cup of coco and read all about the emotional adventures of Heidi.

If you would like more information about free swimming lessons in the February half term please speak to Mr Pye or email him at spye@oldmoat.manchester.sch.uk

Shopping APP

The NHS has released a new food scanner app which allows you to scan the barcode of the food item and you can find out what is in it and swipe to swap to healthier items. The children have had an assembly this week telling them about it and there is a link to it on the new 'Healthy Schools' blog page.

**1CC achieved full class kit this week for P.E.
Well done 1CC!**
