

This Week's News

We are really proud of Year 6, who have coped this week with some very tough SATs papers. Their attitude has been impressive. In spite of their education being so disrupted by COVID, they have shown incredible resilience and dealt admirably with some very difficult questions. Whether you have taken the papers or not, and whatever mark you get, we are proud of each and every one of you, Year 6!

You have all kept yourselves motivated!

Word of the week

MOTIVATE

If you **motivate** someone, you give them a reason to do something, or make them feel determined to do it.

Gareth Southgate has **motivated** the English Football Team to play better than ever.

Marcus Rashford is **motivated** by a sense of duty to support children who aren't getting enough to eat.

Staying **motivated** can be difficult when you're tired, but keep going!

Challenge

What **motivates** you? How do you **motivate** yourself to keep going when things are tough?

Dates for Your Diary

Green Heroes Tip of the Week

Collect rain water to store and water your plants with.

Well done Stars of the Week in Y5. Check out the blog for more! newshttps://www.oldmoat.manchester.sch.uk/blog

Book of the Week Where's Wally? By Martin Handford

There is a good reason why these books are so popular – they are full of brilliant pictures, with lots going on, and loads of challenges to find different characters and objects.

Don't be fooled by the lack of words – these books are really good for reading skills because they support development of children's concentration, and are fantastic for comprehension if you talk about what's going on in the busy pictures.

You can find them in class libraries and in the main school library.

Well done Y6 for working so hard during SATS week.
