This week's attendance stars are...

Week ending 08-10-20

Y7 High School Applications

The deadline for all Y7 applications is Friday 30th October. Please make sure that you have sent your application by then to ensure your child gets a place at their chosen school. If you need any support with this please ask at the school office.

Reception Places

Manchester local authority is responsible for admissions of all reception places, **including children already attending our Nursery.** The forms must be completed by parents on-line by Friday 15th January. Parents can request a paper form. Please contact the school if you require any support.

This Week's Welcome Message

With almost half a term completed, we think you'll agree that the "new normal" is well established at Old Moat. Our children are using every available bit of the day for learning: our new Executive Headteacher, Jo Ashcroft, commented last time she visited that she could see that every minute counts at school!

We are moving on with our Rights Respecting at school, with Mr Keeley leading the way. Each class has a Class Charter setting out the Rights of the Child. Our current focus is on Outright, a programme leading up to World Children's Day, on 20th November, when we will be celebrating 30 years of the UN Convention on the Rights of the Child. We are currently learning about climate change – a burning issue for all of us, but particularly the younger generation, who will be left with the damage if things don't change soon.

Parent survey

You will have received a link to our parent survey. We want to find out about your access to the internet at home. Please be reassured that this is not because we are going to close the school, but just in case we need to have children learning from home at any stage. We also want to hear your opinions about our arrangements for dropping off and picking up your children. You can find the survey here <https://forms.gle/CUUTGQERVEbJAhsX6> and we encourage you to have your voice heard.

The university students are setting up virtual English lessons for parents in the near future and they will be working remotely.

A poster regarding the virtual lessons are on display around school and we will also be emailing parents.

Please email Julie Walsh, Family Worker on jwalsh@oldmoat.manchester.sch.uk for all information.

Class Photo Day

You will receive a ticket with a bar code to order your child's photo online. If you do not have a scanner on your phone you can go to Kittleorders.com and enter your photo ID and Password. The ticket may take 24 hrs to update so don't worry if you cannot access the details the first time you log in.

Book of the Week - Y2 have been reading James and the Giant Peach

This week has seen Year 2 taking to the outdoors ...where they found a giant peach growing in the garden! They found a letter from James Henry Trotter that sent them on a bug hunt in our amazing wildlife area. Rain never stops us at Old Moat!

Dates for your Diaries
