This Week's News

This week's big news has to be our girls' football team representing us at Whalley Range in a tournament. They are playing in a fun league, so games are competitive but there are no rankings. The girls looked fabulous in their new kits, and represented us really well with great play and fantastic attitude. Thanks to Mr Pye and Miss Chadwick for taking the team.

Next week sees Y5 off to Jodrell Bank to learn about space – watch this space next week for news about it!

Word of the week

RELUCTANT

If you are reluctant to do something, you don't really want to do it. You are not enthusiastic. She was **reluctant** to go into the dark room.

Some people talk about **reluctant** readers, who don't want to read. There is no such thing as a **reluctant** reader - just a child who hasn't found the right book!

Book of the Week

Pocket Eyewitness: Cars, by DK

Here at Old Moat, we are great believers that there is no such thing as a child who doesn't like reading – they just haven't found the right book yet! This tiny non-fiction book about cars has captivated one of our readers. The Eyewitness series by DK covers loads of subjects – find out what your child is interested and it just might be that non-fiction is their idea of an enjoyable read!

E-Safety

Understanding online games

Online games can be a great way for children and young people to keep busy and stay in touch with

friends and family, but it's important that they play safely.

Things to consider if your child games online:

- age ratings of games they play
- messaging and contact functions on the games
- in-game purchases
- trolling, grieving and scams
- how to report problems
- where they can get further support.

Also, if you have more than one child in your home, be aware that games suitable for one child to play or watch, may not be suitable for another.
