Thanks to the valiant efforts of our pupils, especially Year 5, Old Moat were the winners of the CLIC Times Tables Rockstars competition held across the four schools in our Trust last week!

Valiant means brave or courageous, and the children's efforts were certainly both those things! They didn't give up – and at the last minute, when it looked as if one of the other schools was edging ahead, Year 5 valiantly stepped in and secured our victory!

We will mark Anti-Bullying week next week (it clashed with Road Safety week this week). There will be an assembly and activities in class to mark this important week.

See below a picture of representatives from Old Moat at the inaugural meeting of the Withington and Old Moat Environmental Youth Group at Withington Girls' School, with Councillors Gavin Evans and Garry Bridges. Mrs Hinds and Mrs Collier listened proudly as the children shared their ideas for slowing Climate Change in Manchester. The environment is important to all of us at Old Moat – we are all Green Heroes!

Dates for Your Diary

We would just like to advise you that currently there may be possible lunch menu changes due to delivery delays of some ingredients and fresh produce.

Next Week Lunch Menu is Week 2

If you have any queries about the Flu injection please Call 0333 3583 397

Own clothes day Please bring in money donations for Class Christmas parties (no food!)	Friday 26 th November
Own clothes day Please bring in donations of chocolates and sweets for Class Christmas parties	Friday 3 rd December
Christmas lunch and Class parties	Wednesday 15 th December

PARKING

Please park considerately near the school. Do not park over markings in the road or across resident's driveways. Can we also politely remind you that the car park at the doctor's surgery on Whitchurch Rd is NOT for school use. It is private land belonging to the surgery and nobody should be parking there unless they are using the doctor's surgery.

Thank you.

valiant

LEARN ENGLISH

Free English lessons are back every Thursday from 18th November 9-10am. For more information please email Julie Walsh, family worker.

jwalsh@oldmoat.manchester.sch.uk

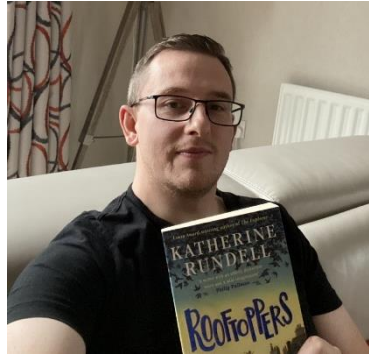

A big welcome to all our new students. Thank you, Julie Walsh and the tutors, from Speak Up!

STAY & PLAY

Stay and play is every Wednesday Morning 9.30-11am at Old Moat School. Come to the main entrance and enjoy playing in our lovely Nursery.

Book of the Week by Mr Kerr

Rooftoppers by Katherine Rundell

Rooftoppers captivated me in a way that few books do. I could smell the smells, taste the tastes and hear the sounds of the rooftops and streets of Paris throughout the main character, Sophie's hunt for her long, lost Mother. Brilliant!

OM Football News

We were at the Cliff training ground for the year 3 & 4 powerplay tournament and won two games and scored lots of goals.

The boys' team showed true determination and gave every other school team a tough game! The boys were excellent and made Mr Pye and Old Moat feel very proud! Meanwhile, the girls played in a tournament at Whalley Range, winning 3 and losing 2 of their games. Go girls!

Reminder for Pupils Walking Home Alone Parents and Carers

Please remember that now darker nights are here all pupils must be collected after later clubs from school by an adult.
