**This Week's Welcome Message**

Our Readathon is now up and running, and the children had an assembly on Monday that showed them how their reading will help children in hospital. Please support your child to read as much as possible and we will also give time to this in school.

As you will have seen in an email, we have postponed our Pride Day and will be in touch again when we have met with some of the parents who wanted to talk to us about it.

With statutory primary school assessment not going ahead this year, we have opted for Year 4 to do a practice times tables check, which has taken place this week. Years 2 and 6 have also done some old SATs papers to give us an idea of how they would have done in a "normal" year.

We expect a return to assessment as usual next year, but it's too soon to say how the next year will look in school. We expect to retain a lot of our COVID precautionary measures so that as many children as possible can keep coming to school if we have any positive cases in Autumn.

We are proud of the way our school community has handled another very difficult year. Thank you for your support with everything we do.

**Dates for Your Diary**

Lunchtime Menu	Week one
Wednesday 14 <sup>th</sup> July	Virtual Class Transitions
Tuesday 20 <sup>th</sup> July	Pupil Reports out to Parents
Wednesday 21 <sup>st</sup> July	Break up for the Summer Holidays

Schoolgateway

Please stay up to date with all that's happening in school via School Gateway

**A couple of Polite Reminders**

Please remember to write your child's name in their uniform so that they can be returned from lost property.

Please ensure that your child brings a water bottle to school every day

## Book of the Week

### The Family Fairies by Rosemary Lucas

This story is about a man and a woman who long to build their perfect family. The story tells of a couple's patience waiting for their dreams to come true. Through this story, the author demonstrates the process many families go through in order to find the 'perfect match.' The characters, rhymes and images in this story helped me to understand the adoption journey this family went through. This story highlights that all families are different, that they come together in so many ways. I would definitely recommend reading 'The Family Fairies.'

**E-Safety** Looking for advice on how to support your child in using a games console safely and responsibly? Use the QR code:

Summer has finally arrived so don't forget to stay safe in the sunshine.

### Fabulous Five

Lovely photo of one of our nursery children showing us maths and writing skills with Miss Gregory

One More week to go to encourage your child to keep up their good attendance to help their class win the Attendance Reward.

### Dinner Money Payments on Parent Pay

Please ensure that all dinner balances are settled before the end of term. Any Y6 outstanding balances will transfer to siblings still on roll and on to their Parent pay accounts in September. Please remember that if your child is in Y2 they are not eligible for universal free school meals in Y3. If you think you are eligible you need to apply now at
