### This Week's News

Gathering the views and opinions of our school community is always a high priority for us so that we can continue to learn and grow together. In school this week, Mrs McNicholas and Mrs Owen have been gathering some pupil voice around how we support children with their learning and their emotions.

We were delighted to have 113 responses to our parent and carer questionnaire which was circulated during the week of parents' evening. Over the coming weeks we will share the results and the subsequent actions that we are taking to further improve our school. To begin with, I am pleased to share the following headline information:

- **97%** agree or strongly agree that their child **enjoys** school.
- **96%** agree or strongly agree that their child **feels safe** at school.
- **98%** agree or strongly agree that the **teaching is good** at Old Moat.
- **96%** agree or strongly agree that Old Moat **meets their child's needs**.
- **95%** agree or strongly agree that Old Moat ensures **children are well-behaved**.

- **97%** agree or strongly agree that the school is **well-led and managed**.
