This Week's Welcome Message

We are beginning to see signs of Spring at last. The grounds are looking lovely and Mrs Hinds and the Green Heroes are working hard to get things growing and to provide a friendly environment for the wildlife we love to see at Old Moat. We are all looking forward to spending more time outside as the weather improves.

We are also looking forward to greater freedom. As the government's "road map" to ending COVID restrictions starts, our school Risk Assessment remains the same. Please help us to operate safely by wearing a mask when dropping and collecting your children. We will let you know of any changes as they occur.

Please remember that school closes for the Easter holidays at the end of the day on Thursday 1st April. We are delighted with the children's attitude to school since the return but we think everyone will be ready for a break by then!

Dates for Your Diary

End of Spring Term School closes	Thursday 01/04/21
Summer term Starts	Monday 19/04/21

Useful Information

If you need financial support for school uniform, please contact school or email Julie Walsh, family worker
jwalsh@oldmoat.manchester.sch.uk

Many thanks for all your donations.

We collected £129.55 in total via Cash and on Parent Pay.

Just Keep Reading!

Thank you for your support. Remember, the best COVID catch-up you can provide at home is reading support. #Take Ten - reading for just 10 minutes a day makes a difference!

Keeping our Bubbles safe

A big well done to all the children at Old Moat who are using Times Table Rockstars regularly at home to learn their multiplication facts. Last week, 92% of questions were answered correctly and the average answer time was just 4 seconds - wow!

Remember, you can access Times Table Rockstars online at <https://play.ttrockstars.com/>. If you have forgotten your log in information, kindly ask your teacher for a reminder. The app is free to download on Android/iOS devices.

Don't forget, Key Stage 1 and some children in Key Stage 2 also have Numbots accounts for practicing your number knowledge at <https://play.numbots.com/#/account/school-login/9232>

Green Heroes

Thanks you to "Sow the City" for helping construct the willow dome

Throughout the pandemic we have kept the trim trail closed to pupils during the school day and asked parents to support us with this when dropping off and collecting their children. As the weather has improved we have noticed lots of children on the trim trail which could potentially be a source for spreading COVID between bubbles. To support us in keeping school open for as many children as possible, PLEASE KEEP YOUR CHILD OFF THE TRIM TRAIL.

Many thanks to Debbie Ellison, site manager and Sharon Dunworth, office team member for speedy construction.

You are the fastest fencers in the west!

Stay SAFE!
