

Welcome back to Year 5 and Year 6! We are delighted to have all our year group bubbles open! We are proud of the children for getting straight back in to school routines and working hard.

Let's keep smiling and let's keep each other safe: keep following advice to isolate if you have any symptoms of coronavirus in the family. Thank you for your continued co-operation and good cheer in the playground when you drop off and collect your children.

The Mummy's Revenge

By Andrew Beasley

This week, Mrs McNicholas is sharing a book from the SCREAM series: our children at Old Moat love these

supernatural mysteries – they can't get enough of them!

It is really useful to have the school communications app on your phone at this present time. We are updating daily via email and text. Please don't hesitate to ask for advice about how to download the app. You must use the same email address and mobile number that school has on record to register for the app. It's a really quick registration so please download the app today. Thank you to all of you who are using our school gateway.

Green Heroes

We are the Green heroes and love planting trees. Let them grow!

This harvest season, we will be collecting tins or packets of dried food to support our local food bank. Please bring tins/packets of food (in date) to the classroom and we will send them on to the food bank. The deadline for tins to be in school is Wednesday 21st October. Thanks!

Thank You!

We collected

Last Friday 😊

And finally... Congratulations to 4CO, who have already earned 500 class dojo points! They enjoyed their reward of an arty afternoon, as you can see in the pictures.
