

Our big question for the Summer 2 half term is...

Where are we going on our adventure?

It is the last half term of the year and almost time to say goodbye! We will be hopping on the aeroplane in our role play airport and flying off to different destinations all around the world. Celebrating a range of world cultures, including the cultures of families in our classroom, will be so much fun. There will be so many stories to hear, foods to taste and languages to say 'hello' in.

Literacy and Communication & Language

This half term we will be:

- Talking about and discussing modes of transport,
- Using the internet to access Google Maps and explore countries and cities we are interested in
- Hearing story books from different cultures and discussing the countries the stories come from
- Story talking and story mapping the African story 'Anancy and Mr Dry Bone' by Fiona French
- Writing setting descriptions about countries we have investigated
- Using our phonics independently

Numeracy

We have made such great progress this year in our maths learning. In our maths lessons and in our play, we have learnt how to count up to 20 and beyond, manipulate resources to solve number problems and explored different measures and shapes.

This half term we will be:

- Consolidating the skills we have developed so far
- Exploring numbers to 20 through capacity, distance and length
- Discussing position and using positional language

Key Dates

EYFS Trip to Farm - Weds 5th July EYFS/KS1 Sports Day - w/b 1st July Last day of school - Fri 19th July

Do you know your key words?

By the end of the year, your child should recognise most of the key words across the three key word pages. Going into Year 1 with sight recognition of these words will ensure your child becomes a confident reader. Please practice at home!

When do I need my PE kit?

PE will take place every **Wednesday** with Mr Pye. We are also extremely lucky to have Manchester United coaches coming to teach us football skills every **Thursday**.
