## Word Aware New Words

These ideas can be used when you are reading and talking about books with your child.

### Reading

Daily reading at home is essential. When your child meets new words in their library book that the adult reads for enjoyment, try out these Word Aware strategies.

Before you read the book, say, 'Let's look out for new words that you've never heard before.'

Once in a while, stop and ask, 'Did you hear any new words?'

If your child says 'Yes', talk about that word's meaning.

If your child says 'No', identify a word you think might be tricky. Talk about what the word means.

PE ON  
MONDAYS!

Our Big Question is, 'What is your favourite story?'

As always, please let us know if you've got any questions. Parent-teacher consultations will be on the last week of the Spring 2 term.
