

Home Learning

Practising their work at home is an important part of your child's learning.

Due to COVID restrictions, we will NOT be giving children homework books for the time being.

Spellings

As part of your child's homework they will be given a list of spellings that they need to practise.

Times and divide facts

Each week your child needs to practise the multiplication and division facts for times tables they are on. It is important that your child has quick recall of these facts so practising them **out of order is important.**

By the end of Year 3 children are expected to know their 2, 3, 4, 5, 8 and 10 times tables.

We will give the children a list of spellings and the times tables they need to practise on a Friday.

There will be a spelling and times table challenge every Friday in school

Our Big Question What makes the Earth angry?

In this Geography topic, we will be learning about natural disasters, particularly volcanoes and earthquakes. The children will be using atlases and improving their 'map skills'. We will give the children a detailed copy of all the work they will be covering.
